**Bios for Prospective Elders**

**Charlie Riddle - Long Range Planning**

I was a Methodist all my life, from baptism until a period before moving here in 2014, when I attended a Presbyterian Church. I felt God's calling to help and direct others in learning life and God's will. I started my road of education by teaching 5th grade Sunday School when I was 15. I was Chairman of Outreach for a period of 12 years, organizing help to those in need, both locally and in other countries. I went on to teach high school history, be a Vice-Principal and high school Principal before retiring. I was also elected and served 16 years on a borough council as head of finance and ordinance, thus helping my community in many ways.

Moving to Leland in 2014, I started my search for a church home. After trying many in Wilmington, I decided to go to Crosswinds. As I approached the parking lot, my car turned right to park in front of the bridge. I was greeted by some very warm and friendly people asking "Are you coming to the bridge?" to which I answered "I guess so". The warmth I found that Sunday drew me back the next Sunday and helped me realize I was where God wanted me to be! From that point on, I have been involved. I have co-facilitated and facilitated small group studies. I sang in our Easter choir and answered the call to serve on two committees, Building and Grounds and Generosity. I now feel I have the direction from God to help us all as we develop and enlarge our church on Zion Church Road. May God Guide and be with us all as the bridge moves forward.

### **Fran Rumpf - Hospitality**

Having been born into a family of Pentecostal ministers I do not remember a time when God was not walking with me. My earliest memories are of being in church. My father, an Elder, died at church at the age of 39. I was 6. Faith got my mother through the many hardships that came with raising 4 girls all alone. The strength she received through her faith was not only an example for me but also became my comfort when I lost my first husband to cancer. I was just 23. Had I not had a deep and abiding faith, I doubt I could have made it this far.

While faith was always a part of my journey, my personal walk came when I was 11. I remember the exact moment I came to Christ and the Holy Spirit flooded me with saving grace. I was baptized by immersion. Through the years, I have been asked to serve as Elder but declined because I had not felt the "call". I served in other ways.

When Dennis and I moved to this area 2 years ago, we immediately began looking for a church home. Each time I went shopping, I would see the signs for the bridge and felt drawn. After our initial "yikes, it's a shopping center", we came to service and felt the Holy Spirit moving within the people here. It was palpable. We were home. I now hear the call to serve the people of God's church here at the bridge. This is our family. God's family. I am grateful and humbled to be nominated and if elected will serve faithfully and prayerfully as your Elder.

### **Julie Shackleton - Small Group**

I was led to the Lord over 30 years ago by a neighbor, after being invited to a Bible Study in her home. Having been raised in the Catholic church, this was a new and different experience for me. I was intrigued by my neighbor's passion and love for Jesus. Because of this, I found myself wanting more of a relationship with the Lord...and so began my journey to know Jesus. This is a journey that brought Larry & I to the bridge. When we move to a new location, we normally visit with many churches.

After our first visit to the bridge, we felt God had "led" us to "our" church. The warmth and welcoming spirit we enjoyed were just what we had been praying for! We joined a small group and enjoyed the many benefits of these groups. It is my hope to grow and meet with joy this new challenge in my journey! Thank you for this opportunity to serve the bridge.

## Worship Weekly

Beginning Sunday December 1<sup>st</sup>, Dr. Doug will launch a new Advent sermon series titled: Here Comes God, based on the Old Testament book of Micah. Advent, the four weeks we spend preparing for the coming of Christ at Christmas is a season designed to be a wake -up call to those who have lost their edge of spiritual alertness. And, the book of Micah, with all its warnings and judgments, is an ideal book to study during Advent because Micah is like that police car speeding up behind us, with lights flashing and siren blaring, raising our spiritual alertness by disturbing us and, then, offering us hope.

Here Comes God, is a message that may feel a bit disturbing, but it's a blessing nonetheless...a blessing designed to prepare you to receive Christ anew on Christmas Eve. Join us at 9:00 am or 10:30 am and bring a friend or neighbor.

**Date:** December 1, 2019

**Title:** Here Comes God

**Text:** Micah 1; I Timothy 1: 2 – 17

**Questions:**

- Have you ever been pulled over for speeding? If so, do you remember how you felt?
- Chapter one of Micah can be summed up in three words: "Here Comes God!" How would you react to the announcement that the Lord is coming back this Dec 25th?
- Are we, like the people Micah preached to, unaware of how far we have strayed from God?

**Epiphany Sunday 2020**  
**The bridge Presbyterian Church**  
**Celebrating Divine New Discoveries**  
**Congregational Participation!**

**Explanation:**

Sunday January 5<sup>th</sup> is Epiphany Sunday. Epiphany means manifestation or appearance. Traditionally on Epiphany Sunday, the Church has focused on the story of the Magi's visit and/or the baptism of Jesus celebrating manifestations of God to the world. Epiphany can also be translated as 'new discovery.'

This Epiphany Sunday at the bridge we want to try something different. But we NEED your help! Building on the theme of 'new discovery,' we are asking folks at the bridge to share the following information on either a three by five card or by email:

Share a passage of scripture that has brought new light or a fresh understanding about the Lord and/or your Christian faith over the past two years. (Please write out the passage with the appropriate citation)

Underneath that passage, please write one or two words that describe the 'new discovery' this passage gave to you.

Then, underneath the one or two words, please write your name.

We will then share these with the congregation via power point slides during the worship service.

**Example:**

"Trust in the Lord with all your heart, and do not rely on your own insight. In all your ways acknowledge him, and he will make straight your paths."

(Proverbs 3; 4 -5)

Guidance

Steve Jones

**Deadline:**

**We need all submissions into the church office by January 2<sup>nd</sup>.** This idea will not work without your help. So, please consider participating in this unique worship service. Drop your submission into the offering plate, drop it by the church office or email it to Wanda at [thebridgepres@gmail.com](mailto:thebridgepres@gmail.com)

## **bridge "Notes" from Patty**

I hope you have a wonderful Thanksgiving! May your turkey be juicy and your hearth warm and friendly. Go easy on the salt... Enjoy this Thanksgiving video and compliment the chef no matter what!

### **White Poinsettias for the Worship Center during Advent**

As the Worship Team is preparing the Sanctuary for the upcoming Advent Season, we have had many requests to include poinsettias honoring loved ones around the stage area. So, in order to fulfill this request as easily as possible, we have come up with an idea that we want to present to our people at the bridge. If you desire to place a poinsettia in the Worship Center for the Advent Season, we ask you to purchase your own **white or light pink in color poinsettia in any size** and place it in the Worship Center one Sunday in Advent.

Please place your name on the bottom of the plant pot so you can claim the plant at the end of service on Christmas Eve. Also fill out a form found in the back of the worship center on the bulletin board or the table below the bulletin board with your name and who you are honoring with the plant or plants. Please put the completed form in the basket on that table so we can announce the honorees in Currents. If you have any further questions, please contact Cathy Boettcher, Elder of Worship Team. # **Serve Our Community**

## **From the Mission Elder**

One purpose of our Mission Team is to form partnerships with vetted assistance and service organizations so we can most effectively help the people of Northern Brunswick County and the world. Another is to provide a variety of mission projects to help our members connect with their passion and purpose for life.

There is great need and our bridge family is very generous. However, we don't want folks to get overwhelmed with giving options, and don't want them to feel pressured to support every project. Let us know if you have ideas for donations, but please do not provide information to the congregation without asking the Mission Team first.

Thank you, Patti Pirher

## **Christmas Stockings for Kids World Academy**

Thanks to the generous spirit of our bridge family, all of the children have been sponsored for our Christmas Stocking Project. Please return your filled stockings to our church, and cross your name off the sign up sheet by December 15. Delivery will be Thursday, December 19, at 10:00a.m., at 9272 Post Office Rd.NE, Leland. All are welcome.

Thank you for supporting this Sustainable Mission Partner of the bridge.

## **December Mission Opportunity**

Some of us may have missed out on providing a stocking for a child at Kids World Academy. So, we have a new mission opportunity. One of our sustainable partners, Brunswick Family Assistance (BFA), is joining with the U.S. Marines in their Toys for Tots program. We will be collecting items for this program which is for kids age 0 to 16. The greatest need is for 13-16 years old. Some suggestions are soccer or basketballs, make-up kits or jewelry, etc. If you have grandkids in that age group, maybe a shopping trip with them would be fun or at least get suggestions from them. Please bring the gift, unwrapped, to the church by December 15<sup>th</sup> if you wish to participate in this opportunity. They will be delivered to BFA in Shallotte.

### Service of Lessons and Carols at Leland House

On Monday, December 2<sup>nd</sup>, we will celebrate the Advent season with the residents of Leland House at a special worship service. We will be telling the Christmas story through Scripture readings and singing Christmas carols. At this service we will need **several readers** and people to help with Christmas refreshments after our worship. Please sign up on the sheet outside the Worship Center if you are able to help with the worship or the fellowship. All are welcome to join us!! Leland House is an Assisted Living and Memory Care facility in Leland (1935 Lincoln Rd NE).

### The Leland House Angel Tree is ready!

To adopt a resident for Christmas, take an Angel off the tree at Leland House, write your name, phone number and email next to the Angel's number in the folder. Take the Angel tag shopping to purchase the resident's wish list of items. Wrap the gifts and return them with the Angel tag by December 20.

Leland House is located at 1935 Lincoln Road NE, in Leland.  
Thank you for supporting this Sustainable Mission Partner of the bridge.

### Women's Communion Luncheon

The Women from First Presbyterian Church in Wilmington have extended an invitation to the Women at the bridge to share a Communion Service with them on December 2nd at 11AM. Following this service we have been invited to join these women for a light lunch in Gilmore Hall. What a generous invitation for fellowship and worship with our sister church. Let's try to form a large group to partake of this invitation. Any Questions, contact Cathy Boettcher at [cboettcher116@gmail.com](mailto:cboettcher116@gmail.com)

This year give a gift that makes a difference. Fill a holiday gift bag with Equal Exchange fairly traded coffee, chocolate bars and minis, and hot cocoa mix or purchase holiday gift baskets of coffee (one bag), a bag of minis, and a chocolate bar.

We at the bridge support small-scale farmers all over the world through the purchase of these items from Equal Exchange in partnership with the Presbyterian Coffee Project. Equal Exchange coffee is the delicious coffee we serve every Sunday.
